

TOWN OF BLACKSTONE BOARD OF HEALTH

ANNUAL APPLICATION TO RAISE DOMESTICATED FOWL OR RABBITS

Applicant Name _____

Address _____

Phone # _____ Email _____

Property Owner Name _____

Address _____

Phone # _____ Email _____

Signature of Owner, if different than Applicant: _____

Type of Animals _____ Number of Animals _____

Each application must include the following:

A sketch of the lot showing lot line information (dimensions of lot), existing dwelling location, existing water (public or private) and sewer location and/or on-site septic location, existing easements, if any and existing parking areas. Sketch shall include detail (dimensions and location, include distance from existing street and side and rear lot lines) of proposed enclosed shelter, proposed animal food storage location and proposed temporary waste storage area. Sketch must also include the location of private wells within 100 feet of the proposed animal

shelter or an affidavit from the property owner stating that there are no private wells within 100 feet of the proposed animal shelter.

A certified abutter's list, obtained from the Town of Blackstone Assessor's Office, identifying each direct abutter within 100 feet to the property for which the application is being made.

Written notice from the applicant, including certified mail receipts, stating that they have notified the direct abutter's of the applicant of their intent to raise or keep domesticated fowl or rabbits on the property, including the number of fowl or rabbits.

I have read the regulations governing the raising of domesticated fowl or rabbits and I understand and agree to the requirements. I further understand that the Board of Health and/or the Animal Inspector may conduct periodic inspections of my facility.

Signature of Applicant: _____

PERMIT FEE: \$100.00
